- [Publications](#)
- [Support IJD](#)

The IJD actively advocates tackling the root causes of poverty by addressing systemic weaknesses, reforming institutions of governance, building capacity and empowering communities. With programs and initiatives based on participation, empowerment and sustainability, we treat not just the symptoms of poverty, underdevelopment, and insecurity, but confront their underlying causes.

Dreaming of Justice

An evening of music, food, dance, and inspiration for creating a more equitable and humane world

Please join us at this special occasion to learn how together we can begin tackling the root causes of Africa's development crisis and persistent poverty. Purchase your tickets now.
